### New Trash Enclosure:

You may have seen the new wood fenced in enclosure at the manual gate area. This is the new location for all trash. We no longer have trash totes but a 4-yard dumpster and the recycle totes are still there. **NO TRASH is to be placed at Bldg. 2959.**

Pickup is Tuesday. Ensure all trash is placed inside your provided rear yard container in sealed bags. If you have excess trash that will not fit in the rear yard container, you must take it up front to the fenced in area.

If you have special items for pick up (furniture, appliances, etc.) please contact Z&R to inquire into removal fees and possible pick up. Excess trash and pet waste must be placed in a sealed bag and then put in the dumpster. If you have any problems with trash removal, please contact Z&R.

**Recycling** containers are picked up once each week.

Ensure all recycling is placed in the special totes by 7:00 a.m. on Tuesday as it's picked up earlier in the day than the trash.
